MESSAGE FROM GREEN COUNCIL CHAIRPERSON

Dear friends of Green Council,

As we gather to celebrate the 24th anniversary of the Green Council, I am filled with gratitude for what we have achieved together over the years. This milestone is not just a reflection of time passed but also highlights the unwavering commitment of our members, partners, and supporters who have joined hands with us to foster a sustainable future. Your support empowers the Green Council, a non-profit environmental organisation and certification body, to actively pursue its mission of promoting environmental protection and sustainable practices.

Climate change is no longer a distant threat. Its adverse impacts on both human communities and natural ecosystems are already evident across the globe. Last year, 2023, was the warmest year on record. The diverse nature of these impacts is clear through droughts, wildfires, excessive rainfall, floods, heatwaves, super typhoons, and more. There is now a strong consensus that human activities are the primary drivers of climate change, leading to widespread adverse impacts, including extensive loss and damage. As more individuals in our community come together to combat climate change, we remain hopeful about achieving the goal of reducing carbon emissions by half before 2035 and attaining carbon neutrality by 2050.

Since our inception in 2000, the Green Council has grown from a small group of passionate individuals into a vibrant team committed to environmental protection and sustainable development. Over the years, we have launched numerous initiatives that have made significant strides in certification, education, and community engagement. We are eager to continue supporting our community through more captivating and pioneering programmes and involvement.

I would like to congratulate all the Hong Kong Green Awards winners for their outstanding achievements. This year marks the 15th anniversary of the Awards, and it is truly uplifting to witness a record number of participating organisations. This reflects a growing recognition among companies and organisations of prioritising environmental stewardship through sustainable initiatives.

Lastly, I want to extend my sincere appreciation to the organising committee members, judges, and the Green Council team for their invaluable contributions to making the Hong Kong Green Awards 2024 a remarkable success.

Thank you for being an integral part of our journey. Together, we can continue to make a lasting impact and create a sustainable future for all.

A handwritten signature in black ink that reads "Conrad Cheng". The signature is written in a cursive, flowing style.

Cheng Chi-Him, Conrad
Chairperson
Executive Committee
Green Council

MESSAGE FROM GREEN COUNCIL CHIEF EXECUTIVE OFFICER

Dear friends and distinguished guests,

This year marks a significant milestone as we proudly celebrate the 24th anniversary of the Green Council (GC). Over the years, we have navigated many challenges, embraced transformative change, and achieved notable milestones together. This anniversary reflects our progress on the vital journey from sustainability to decarbonisation and reinforces our unwavering commitment to collaboration with our network members and stakeholders as we eagerly anticipate our 25th anniversary next year.

As a United Nations (UN) accredited NGO, we actively engaged in global forums and meetings to tackle pressing issues such as climate change, carbon emissions, water and waste management, plastic pollution, sustainable construction and procurement, resources efficiency, and the circular economy. This engagement allows us to integrate these critical topics into our initiatives, empowering our members to enhance their sustainability performance.

Since the inception of the Hong Kong Green Awards (HKGA) in 2010, which initially featured just two categories, we have significantly broadened our scope. We now include the Corporate Green Governance Award (CGGA), recognising the sustainability efforts of large corporations, and have refined the Green Management Awards (GMA) into three distinct categories: Project Management, Service Provider, and Corporate Management. Furthermore, we have introduced the Environmental, Health, and Safety Award (EHSA) and the Sustainable Procurement Award (SPA), both of which underscore the importance of embedding sustainable and environmental considerations into business operations and standards.

Our commitment to supporting our members extends to providing opportunities for them to monitor their environmental management performance and sustainability development while actively advocating for the United Nations Sustainable Development Goals (UNSDGs) in Hong Kong through collaborative initiatives.

Our first inaugural annual event organised in 2002, aims to enhance public awareness, knowledge, and responsibility regarding environmental issues. Additionally, we host the “Eco-model Tournament,” which promotes environmental protection through interactive activities that encourage primary and secondary school students to creatively utilise recyclable materials in their designs. Events such as the “Green Day” will take place throughout June, targeting public, corporate, and academic sectors. We remain steadfast in our mission to encourage the community to adopt sustainable living practices, ultimately contributing to the transformation of Hong Kong into a more sustainable city.

Among our highlighted initiatives this year is organising “Reward • Regift - Corporate ESG Programme” (綠續回贈), which has successfully educated employees from participating corporations on effective recycling practices and the importance of waste separation. This initiative fosters corporate social responsibility and supports sustainable development in Hong Kong. The recyclables collected are directed to the GREEN@COMMUNITY facilities, where participants can earn redeemable points for rice, which is then distributed to assist underprivileged families in partnership with our corporate members.

To further bolster our corporate members, we have launched the “SDG Actions Hong Kong” platform, which provides comprehensive training and seminars on the 17 Sustainable Development Goals (SDGs). This platform also coordinates services and training related to ISO Management, the Hong Kong Green Label Scheme, the Sustainable Procurement Charter, and ESG and Sustainability Assessment. Looking ahead, we are excited to integrate relevant international ESG standards and artificial intelligence (AI) into our programmes and assessments, enhancing our overall impact.

With the progress and positive momentum, we have achieved this year, I am confident that we can further enrich and expand our work programme. While our current initiatives will continue to evolve, we also plan to introduce unique and complementary initiatives designed to support our network members and stakeholders in their ESG transition.

In closing, I would like to extend my heartfelt appreciation to the Executive Committee Members for their invaluable guidance and support, as well as to my dedicated team. Congratulations to all awardees! Your significant contributions are deeply appreciated. I look forward to your continued efforts and even greater achievements in the future.

ABOUT GREEN COUNCIL

The Green Council is a non-profit, non-partisan, tax-exempt charitable (Ref. No.: 91/6063) environmental stewardship organisation and certification body (Reg. No.: HKCAS-027) of Hong Kong established in 2000. A group of individuals from different sectors of industry and academics shared the vision to help build Hong Kong into a world-class green city for the future. They formed the Green Council with the aim of encouraging the industrial and commercial sectors to include environmental protection in their management and production processes.

With the motto of “Conservation begins with Education”, the Green Council is fully committed to provide continued education and training on sustainable procurement, environmental management, waste management, energy conservation, etc. The main sources of funding are from membership fees, public donations and sponsorships by corporations and individuals who share our vision. Where appropriate, we apply for funding from government sources for specific projects.

GREEN COUNCIL HIGHLIGHT OF INITIATIVES

SDG Actions Hong Kong

On June 28, 2024, the United Nations Department of Economic and Social Affairs released the latest Sustainable Development Report, revealing that global progress towards the 2030 Agenda is significantly off track. Notably, 18% of the goals have stagnated, and 17% are performing worse than the 2015 baseline.

In response, the Green Council launched SDG Actions Hong Kong to promote sustainable development in the region. This programme aims to unite businesses, academia, and individuals to inspire and facilitate meaningful actions for a sustainable future under the mission “Together Towards Tomorrow.”

In its first phase, registrants will benefit from updates on sustainable development goals (SDGs) and have their names featured on an online list, demonstrating their commitment. They may also use the “SDG Actions Hong Kong” logo on printed or digital materials, excluding commercial use.

Reward • Regift – Corporate ESG Programme

Since 2013, the Green Council has designated June 5 as “Hong Kong Green Day” in alignment with the United Nations World Environment Day, encouraging residents to “go green, act green.” This annual event promotes a sustainable lifestyle and culture, extending into a “Green Month” filled with activities for businesses, community organizations, schools, and the public.

In 2024, “Hong Kong Green Day” features the inaugural program “Reward • Regift – Corporate ESG Programme”, which aims to harness business collaboration for greater social impact, promoting waste reduction and recycling. Participating employees can submit clean, sorted recyclables at GREEN@COMMUNITY facilities and earn rewards through their business’s exclusive “GREEN\$” account, redeemable for rice to support those in need.

We also coordinate volunteer services for organisations to distribute redeemed rice to underprivileged communities through the Government’s Community Living Room Project. This initiative encourages employees to practice clean recycling and engage in volunteer activities, enhancing corporate social responsibility and supporting sustainable development in Hong Kong. The Green Council plans to expand this initiative next year for even greater impact. We invite businesses to join us in making a difference!

Certification

Our professional certification services enable you to demonstrate that your products, processes or systems are compliant with local and international regulations and standards.

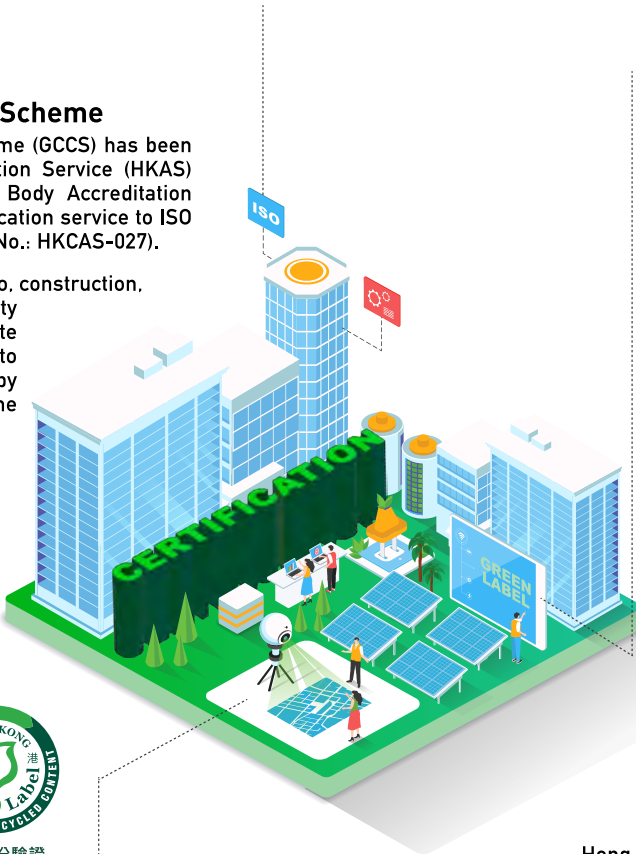

環保促進會認證服務
GREEN COUNCIL CERTIFICATION SCHEME

Green Council Certification Scheme

The Green Council Certification Scheme (GCCS) has been accredited by Hong Kong Accreditation Service (HKAS) under the Hong Kong Certification Body Accreditation Scheme (HKCAS) for providing certification service to ISO 9001, ISO 14001 and ISO 45001 (Reg. No.: HKCAS-027).

Our services include, but not limited to, construction, engineering services, property management service and waste collection. We are committed to maintain certification impartiality by upholding the integrity of the certification process. Each submitted application goes through a consistently stringent certification process that incorporates a fair and objective assessment.

香港環保標籤
Hong Kong Green Label

Hong Kong Green Label Scheme

In the past 24 years, the Green Council has navigated numerous challenges alongside our members and partners through our initiatives to cater a wide range of industries. One of our significant initiatives is the first labelling scheme ‘Hong Kong Green Label Scheme (HKGLS)’, launched in 2000 as a voluntary certification for environmentally preferable products.

It awards a “Green Label” to products that meet specific environmental criteria, encouraging sustainable consumption and helping consumers identify eco-friendly options.

Hong Kong Green Label Scheme contributes to the following Sustainable Development Goals:

Recycled Content Certification

“Hong Kong Green Label Scheme - Recycled Content Certification (RCC)” is an independent and voluntary scheme to evaluate products made from pre-consumer and post-consumer materials diverted from the waste stream. RCC verifies and certifies the percentage of recycled content to make an accurate claim under the ISO 14021 Type II (self-declared environmental claims) label.

Benefits of the Recycled Content Certification

Provide procurement officers and consumers with a tool to make informed decisions

Demonstrate leadership in reducing reliance on natural resources

Satisfy purchase requirements and customer specifications

Differentiate your product in a crowded field

Benefits of the Hong Kong Green Label Scheme

Differentiation

The Green Label makes it easy for consumers who choose products on environmental grounds

Effective Marketing Tool

A green label demonstrates a product’s superior environmental performance and its supplier’s commitment to protecting the environment. This improves the corporate image, brand recognition and reputation for high product quality

A Sensible Cost Savings Move

Manufacturers’ commitment to improving environmental performance in manufacturing processes generally leads to significant cost savings associated with effective resource use, waste minimisation and recycling, and reduced business liability

HONG KONG GREEN AWARDS

As 2024 marks the 15th year of our awards, it underscores our commitment to enhancing criteria and broadening our scope to engage more companies and organisations. This approach encourages participants to exceed expectations.

2015

Developed a user-friendly dashboard for application submissions.

2024

HKGA
香港綠色企業大獎
HONG KONG GREEN AWARDS

Incorporated AI and ESG components into our assessment framework for a more comprehensive evaluation of project performance and impact.

2021

Upgraded the Green PurchasewiSe Award to the Sustainable Procurement Award, aligning it with ISO 20400 guidance.

2014

Added the Environmental, Health, and Safety Award (EHSA) to emphasise integrating these aspects into business operations.

2012

Established the Corporate Green Governance Award (CGGA) to recognise large corporations' green commitments and divided the GMA into three categories: Project Management, Service Provider, and Corporate Management.

2011

Introduced the Green Management Award (GMA) to include construction sites and non-office facilities, replacing GOMA.

2010

Launched the Hong Kong Green Awards (HKGA) with the Green Office Management Award (GOMA) and the Green PurchasewiSe Award (GPA), initially using paper applications.

HKGA
香港綠色企業大獎
HONG KONG GREEN AWARDS 2024

CONGRATULATORY MESSAGES

MR. KS VENKATAGIRI

CHAIRPERSON

GLOBAL ECOLABELLING NETWORK

On behalf of the Global Ecolabelling Network (GEN), I extend heartfelt congratulations to the Green Council and all participants of the 15th Hong Kong Green Awards. Your commitment to environmental excellence aligns perfectly with GEN's mission to promote credible ecolabelling worldwide.

Ecolabels play a crucial role in guiding sustainable choices, much like how HKGA recognizes and encourages green practices across industries. In today's climate crisis, both ecolabels and initiatives like HKGA are essential in driving sustainable consumption and production.

Your focus on green procurement, innovative initiatives, and corporate governance complements the work of ecolabelling programs in creating a more sustainable marketplace. As we face unprecedented environmental challenges, the synergy between ecolabels and your efforts in elevating Hong Kong as a sustainable city becomes increasingly vital.

Together, through ecolabelling, education, and recognition of excellence, we can build a more sustainable future for all.

祝賀香港環保促進會“香港綠色企業大獎”十五年來走過的輝煌歷程,這對於促進企業推行綠色管治和可持續採購實踐、區域綠色轉型發展等發揮了重要的引導和推動作用。“創新倡議獎”意為引領企業和社會可持續創新發展,這是對該大獎不斷創新、保持生命力的最好詮釋,希望更多的組織參與評選,使“綠色企業大獎”產生更大的社會影響力。

祝2024“香港綠色企業大獎”圓滿成功!

陳燕平先生

國際綠色採購網 (IGPN)

主席

HONOURARY ADVISORS

MR CHRIS OANDA

PRESIDENT

THE INTERNATIONAL
FEDERATION OF
PURCHASING AND SUPPLY
MANAGEMENT IFPSM

IFPSM is privileged to be among the private and public sector players who have embraced and supported the Hong Kong Green Awards since its launch in 2016 by embracing green procurement and consumption policies as best practices.

The Earth remains our only home for humanity and other species that occupy our ecosystems in the air, land and aquatic habitats.

Extensive research has confirmed that human activities have significantly contributed to the deterioration of the climate with severe consequences. Summers are hotter while winters are warmer. Snow and forest cover have diminished while deserts have expanded! Air pollution is worse than ever.

At the IFPSM, we advocate that procurement and supply chain practice can make positive contributions. Green procurement can improve sustainability. Choosing biodegradable or recyclable products, can reduce disposable waste.

IFPSM encourages and congratulates the Hong Kong Association as leading partner for promoting sustainability.

CONGRATULATORY MESSAGES

Ms AU YUEN LING, WINNIE

ADVISOR

THE CHARTERED INSTITUTE
OF PROCUREMENT & SUPPLY
(CIPS) -
HONG KONG BRANCH

It is my great honor to congratulate Winners of the Hong Kong Green Award (HKGA) 2024. These Winners demonstrated excellent commitments to sustainability and delivered amazing results which deserved to be recognized by the community. I am deeply impressed to see more and more companies from different sectors marching in the sustainability journey. They set long term sustainability vision with challenging targets, acquire support from a wide spectrum of stakeholders and deliver continuous improvements in their sustainability results. These remarkable results will definitely bring a promising future for Hong Kong and our next generation.

I also wish to congratulate the Green Council for uplifting HKGA to new heights year by year. Their thoughtfulness, pursuit for excellence and their extensive network with international sustainability organizations all contributed to their great success.

The CIPS HK Branch is very delighted to collaborate with the Green Council and look forward to joining hands to deliver further contributions to Hong Kong.

ORGANISING COMMITTEE AND JUDGING PANEL

MANAGEMENT ASSOCIATIONS, CUM
CHAIRPERSON OF HONG KONG CHAPTER
OF BUILDING SMART INTERNATIONAL

For more than a decade, the Green Council has been organizing the annual “Hong Kong Green Awards” (HKGA) with remarkable achievements, as we see a steady growth of participants over the years.

The 15th HKGA successfully gives recognition to deserving businesses who contribute their best towards sustainability, comprising five categories of sustainable procurement, green management, environmental, health and safety, corporate green governance, and innovative initiative.

May I offer my warmest congratulations to all the award winners for their outstanding green purchasing strategies and performance levels as well as exceptional operational environmental management systems, governance and practices. They all deserve another round of applause for their exemplary performance. I have high hopes that they will continue to lead the way as role models in society.

May I thank and congratulate the Green Council for the brilliant results in organizing a most successful HKGA 2024.

On behalf of the Hong Kong Institute of Certified Property Managers, I have great pleasure in congratulating Hong Kong Green Awards 2024.

In the face of the global climate change, every company should make efforts to help protect the environment and reduce carbon emissions. Hong Kong Green Awards organized by the Green Council since 2010 plays a very important role in elevating Hong Kong as a sustainable city.

I am sure that, with the effort of the Green Council, it will continuously contribute for the advancement of the environmental protection industry and the sustainable development of our community.

May I wish the Green Council every success in its endeavors!

MS LINDA W P HO

CHIEF EXECUTIVE OFFICER

GREEN COUNCIL

On behalf of the Green Council, it is my pleasure to offer heartfelt congratulations to the esteemed awardees of the Hong Kong Green Awards 2024. Also, I would like to express my gratitude to the HKGA Organising Committee and Judging Panels for their dedicated efforts in supporting this year's awards.

Applicants' performance through different environmental projects shows their effort on sustainable practices and environmental stewardship, which is truly commendable and serves as an inspiration to others in our community. As we celebrate your achievement, we look forward to seeing how your initiatives will continue to foster sustainability and inspire positive change. Together, we are striving for a greener and more sustainable future.

Ms GRACE KWOK

COUNCIL MEMBER

**HONG KONG INSTITUTE OF
QUALIFIED ENVIRONMENTAL
PROFESSIONALS**

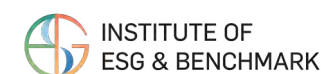

On behalf of the Hong Kong Institute of Qualified Environmental Professionals, I am pleased to congratulate the Hong Kong Green Awards 2024.

As an environmental NGO and certification body, the Green Council has been pivotal in promoting sustainability in Hong Kong. This prestigious award has recognized excellence in green practices since 2010. Through their efforts to engage the commercial and industrial sectors, as well as the broader community, they have created a ripple effect of positive change throughout the region.

Now in its 15th year, the Hong Kong Green Awards exemplify the Green Council's commitment to recognizing and promoting outstanding environmental practices across all sectors.

Congratulations to all the award winners for their remarkable achievements in sustainability strategies and environmental management practices.

We applaud the Green Council for their dedication to driving environmental stewardship and sustainable development in Hong Kong, and we look forward to continued collaboration for a greener future.

MR. VICTOR KWONG

**CHAIRMAN OF ENVIRONMENTAL
COMMITTEE**

**INSTITUTE OF
ESG & BENCHMARK**

Congratulations to all the winners and participants of the Hong Kong Green Awards 2024! As a judge, it has been my privilege to witness the innovative practices and dedication you all have shown in advancing sustainability. These awards celebrate your outstanding achievements in environmental management, health and safety, green governance, and sustainable procurement.

Your efforts not only contribute to a greener Hong Kong but also set a benchmark for excellence in sustainability, inspiring local and international businesses alike. Here's to continuing our shared commitment to a more sustainable future!

IR PROF C.F. LAM

**EXECUTIVE COMMITTEE
MEMBER**

**HONG KONG GREEN
STRATEGY ALLIANCE**

My heartfelt congratulations to Green Council for the great success of the Hong Kong Green Awards 2024!

Since 2010, the Hong Kong Green Awards has been a well-known recognition of the outstanding performance of businesses on their exceptional operational environmental management systems, governance, and practices as well as green purchasing strategies.

Being a member of the Judging Panel, I am proud to witness the momentum of this Award as a strong driver for green corporate governance and performance amongst corporates over the years. Glad to see more and more success stories of businesses in establishing their green branding with quality products and services in local and overseas arena.

Look forward to seeing the continuous prosperity of the Hong Kong Green Awards in the decades ahead!

CONGRATULATORY MESSAGES - ORGANISING COMMITTEE AND JUDGING PANEL

MR. OSCAR LEE

VICE CHAIR

THE CHARTERED INSTITUTE
OF PROCUREMENT & SUPPLY
(CIPS) -
HONG KONG BRANCH

Congratulations to all the participants and winners of the Hong Kong Green Awards 2024! It is with great admiration and pride that we celebrate your outstanding achievements in environmental sustainability. Your dedication and commitment to creating a greener future for Hong Kong are truly commendable. Through your innovative initiatives, you have set new benchmarks for environmental excellence and inspired others to follow in your footsteps. Your unwavering commitment to reducing carbon footprints, conserving resources, and fostering eco-friendly practices sets a shining example for the entire community. Your achievements not only benefit the environment but also contribute to the overall economic and social well-being of Hong Kong. We applaud your vision, innovation, and perseverance in shaping a greener and more sustainable future. May your success inspire others to embrace sustainable practices and work towards a healthier planet for generations to come!

On behalf of the Hong Kong Institution of Certified Auditors (HKICA), I extend my congratulations to the Green Council on successfully organizing the Hong Kong Green Award which is an influential and meaningful program that recognizes and promotes environmental sustainability in every sectors.

Green Council play a vital role in inspiring organizations and individuals in spreading awareness in environmental sustainability and driving behavioral change in the adoption of sustainable practices, integrates with global standards. The award program helps create a more sustainable future for Hong Kong.

IR DR TOMMY LO

PRESIDENT

HONG KONG INSTITUTION OF
CERTIFIED AUDITORS

IR. EDMUND K H LEUNG
SBS OBE JP FHKIoD

DEPUTY CHAIRMAN

THE HONG KONG INSTITUTE
OF DIRECTORS

Once again, it is my honour and privilege to be invited to the Judging Panel for this Green Award.

ESG is now widely accepted as a vital duty for leading organizations. Of these three aspects, Environment and Social aspects are easily recognized and measured, and good standards are expected. However, the Governance aspect is equally important but much more difficult to quantify. This Green Award aims to assess the Governance quality of organizations to ensure they are of high importance.

Good governance ensures a high level of transparency of the policies and directions of an organization and enables an effective check and balance of the various activities of their business. It also allows early warning in the event of crisis and facilitates early corrective actions for healthy operation.

Year on year, I note that our contestants have submitted projects of extremely high quality and have shown good attention to all three components of ESG. This confirms their understanding of these vital pillars supporting the solid foundation of successful organizations.

The Hong Kong Institute of Directors will join hands with The Green Council to strongly promote a high standard of Corporate Governance to help to achieve this goal.

CONGRATULATORY MESSAGES - ORGANISING COMMITTEE AND JUDGING PANEL

On behalf of the Hong Kong Institute of Construction Managers, I have the pleasure to celebrate the success of the Hong Kong Green Awards 2024 and congratulate the Green Council for the great achievements. Since its establishment in 2010, the Hong Kong Green Awards has become one of the most prestigious awards in Hong Kong to recognise companies with significant contribution to our environment.

This Award makes great contributions to the community not only through acknowledging of the awarded companies, but also advocating wider adoption of innovative green and sustainable practices. My warmest congratulations again to all award recipients for their pursuit of environmental excellence and look forward to the continual effort of the business community in driving the transformation of Hong Kong into a green and sustainable city.

I look forward to the further collaborations between HKICM and the Green Council in the coming future.

CR MANG KA WING TERENCE

PRESIDENT

HONG KONG INSTITUTE OF
CONSTRUCTION MANAGERS

My heartfelt congratulations to the Green Awards Winners this year! Participants have demonstrated exceptionally in their commitments to achieve sustainability goals. Their clear vision, mission, and objectives to drive a green future are highly appreciated!

Participating in the Green Awards also helps to meet the 'New Quality Productive Forces' target in a green and sustainable way. In this respect, the continued great successes of the Green Council in promoting Hong Kong as a Green, Smarter Sustainable City have been widely recognized.

I would also like to congratulate the excellent teamwork and leadership behind the Green Council in organizing and promoting the Green and Clean Education in Hong Kong." Let's continue our great effort to win in total sustainability!

PROF. NG WAI KWAN,
STEPHEN

PRESIDENT

INSTITUTE OF PURCHASING &
SUPPLY OF HONG KONG

I am thrilled to see the excellent organization of the Hong Kong Green Awards 2024 by the Green Council. This flagship award in Hong Kong has represented a solid recognition of business entities strongly supporting sustainable development and the green economy. As a reputable environmental organization and trustworthy certification body, Green Council has engaged corporate sectors and the community with many vital environmental initiatives. The Hong Kong Green Awards scheme is a perfect example of the critical role played by the Green Council in serving as a platform to explore and develop green purchasing strategies and various sustainable concepts. The fruitful 15th anniversary of the Hong Kong Green Awards has invaluable enhanced the green governance, health and safety, management, innovation, and procurement achievements for Hong Kong. Congratulation!

IR PROFESSOR KAIMIN SHIH

ASSOCIATE DEAN (T&L - UG)

FACULTY OF ENGINEERING

THE UNIVERSITY OF HONG KONG

On behalf of the Hong Kong Construction Association, we would like to extend our heartiest congratulations to the Hong Kong Green Awards 2024 for completing 15 glorious years of success. It is also my great honor to serve on the judging panel.

The awards offer an excellent platform to showcase the deserving winners' unwavering commitment to creating a greener future as well as to demonstrate green purchasing strategies, environmental management systems, governance and innovations. Compounded with the Green Council's continuous efforts in promoting sustainability and environmental initiatives, their contributions will not only benefit the environment, but also making a remarkable impact on Hong Kong's journey towards becoming a sustainable smart city as more companies are inspired to follow suit.

Last but not least, my heartfelt congratulations to the winners, wishing them all the success in contributing to a brighter and greener Hong Kong.

MR. WONG SIU HAN, REX, JP

FIRST VICE-PRESIDENT

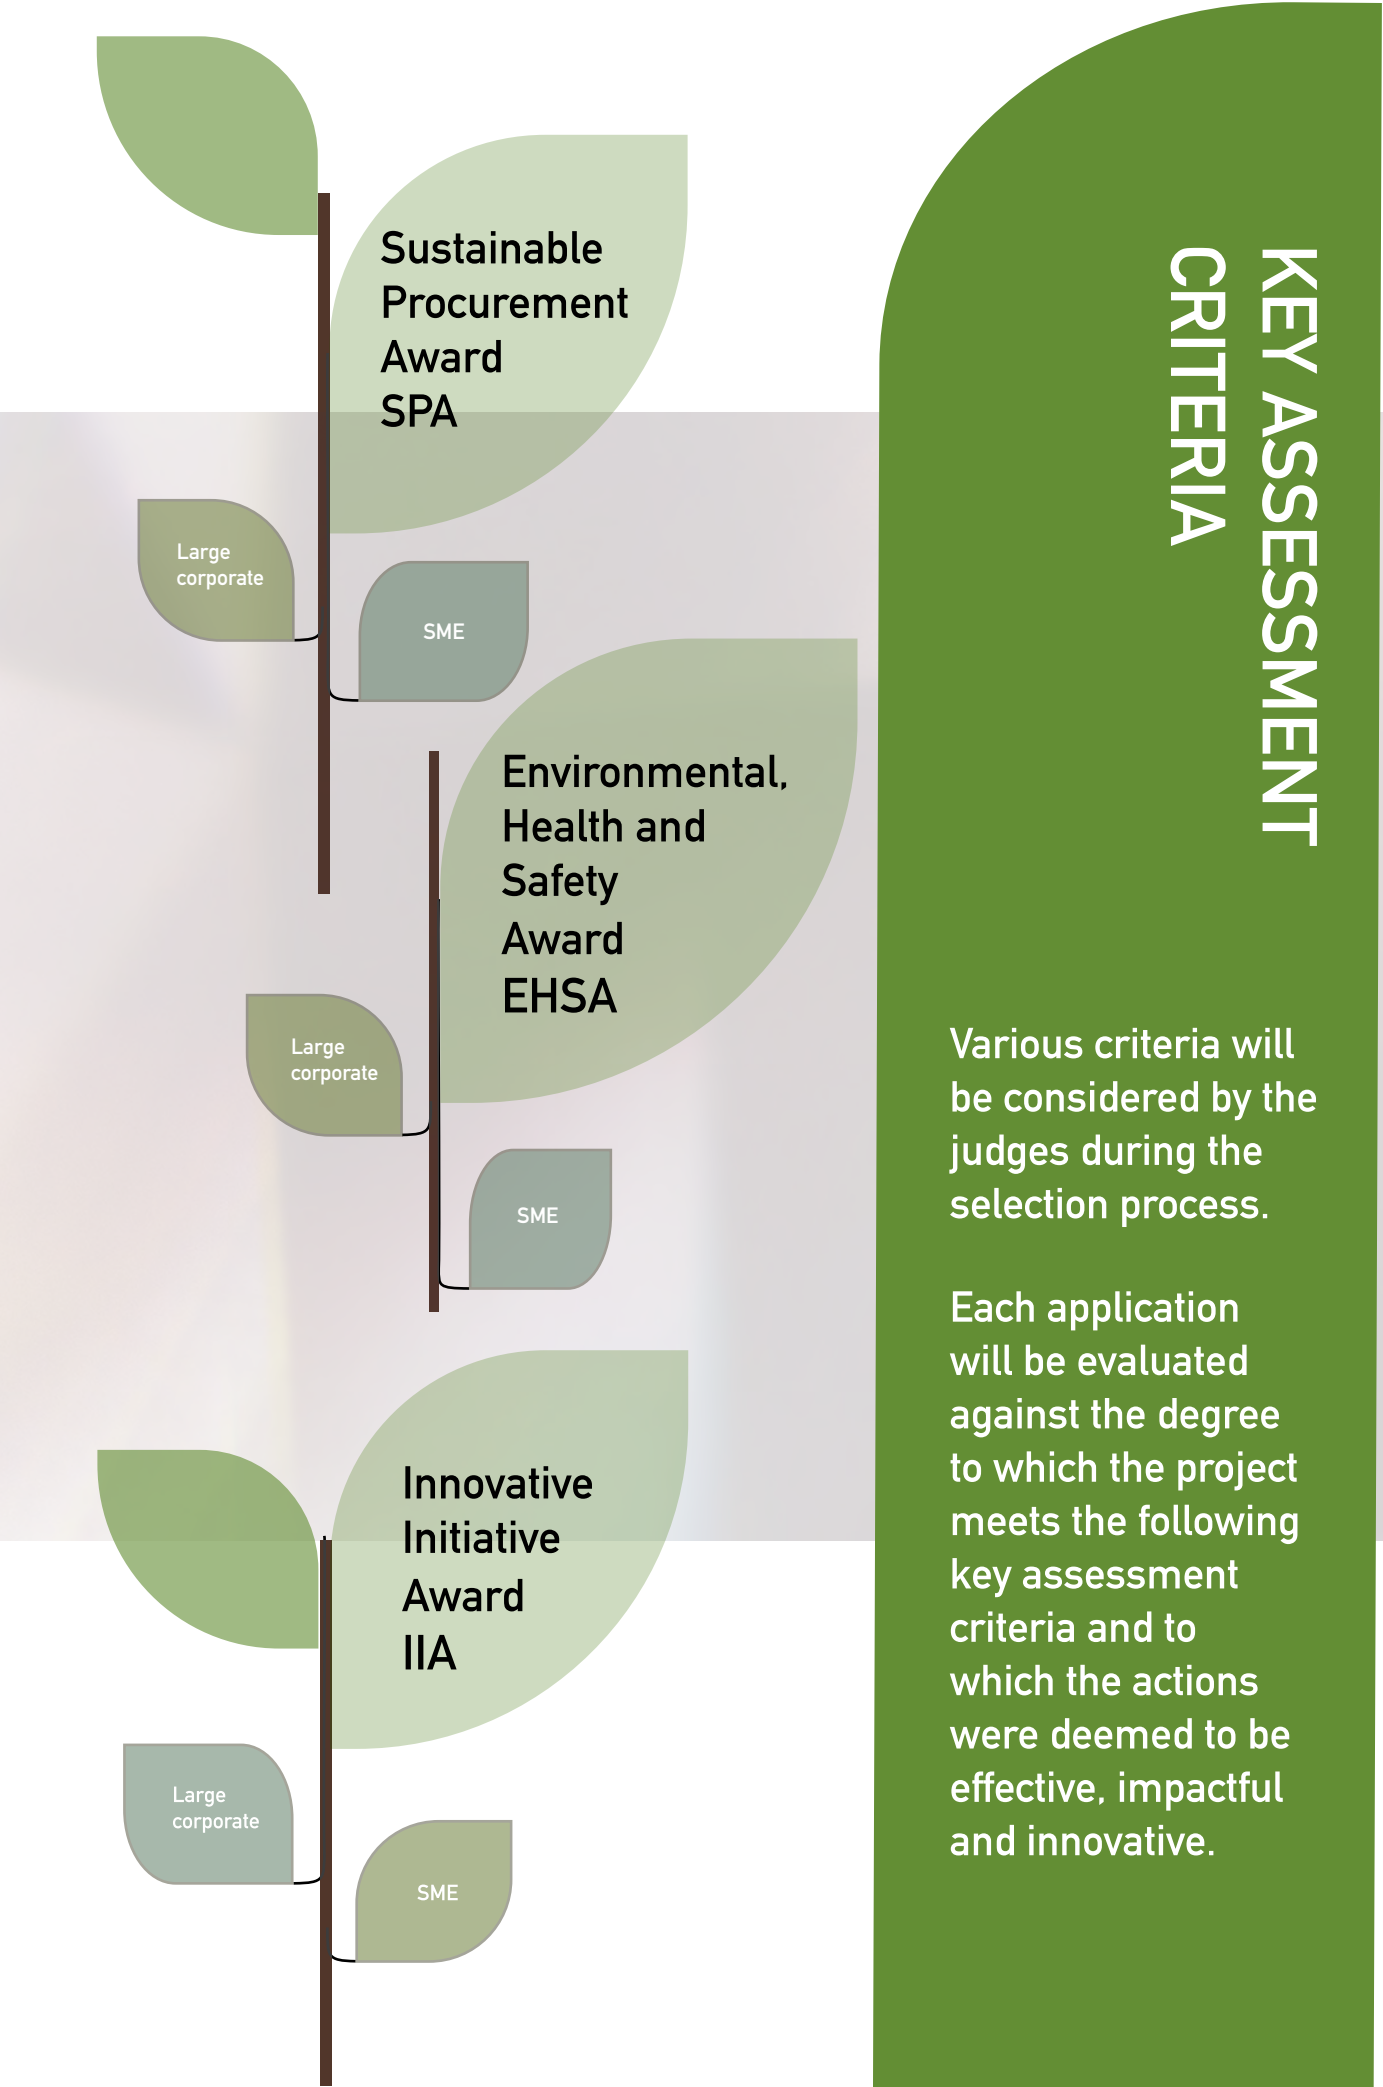

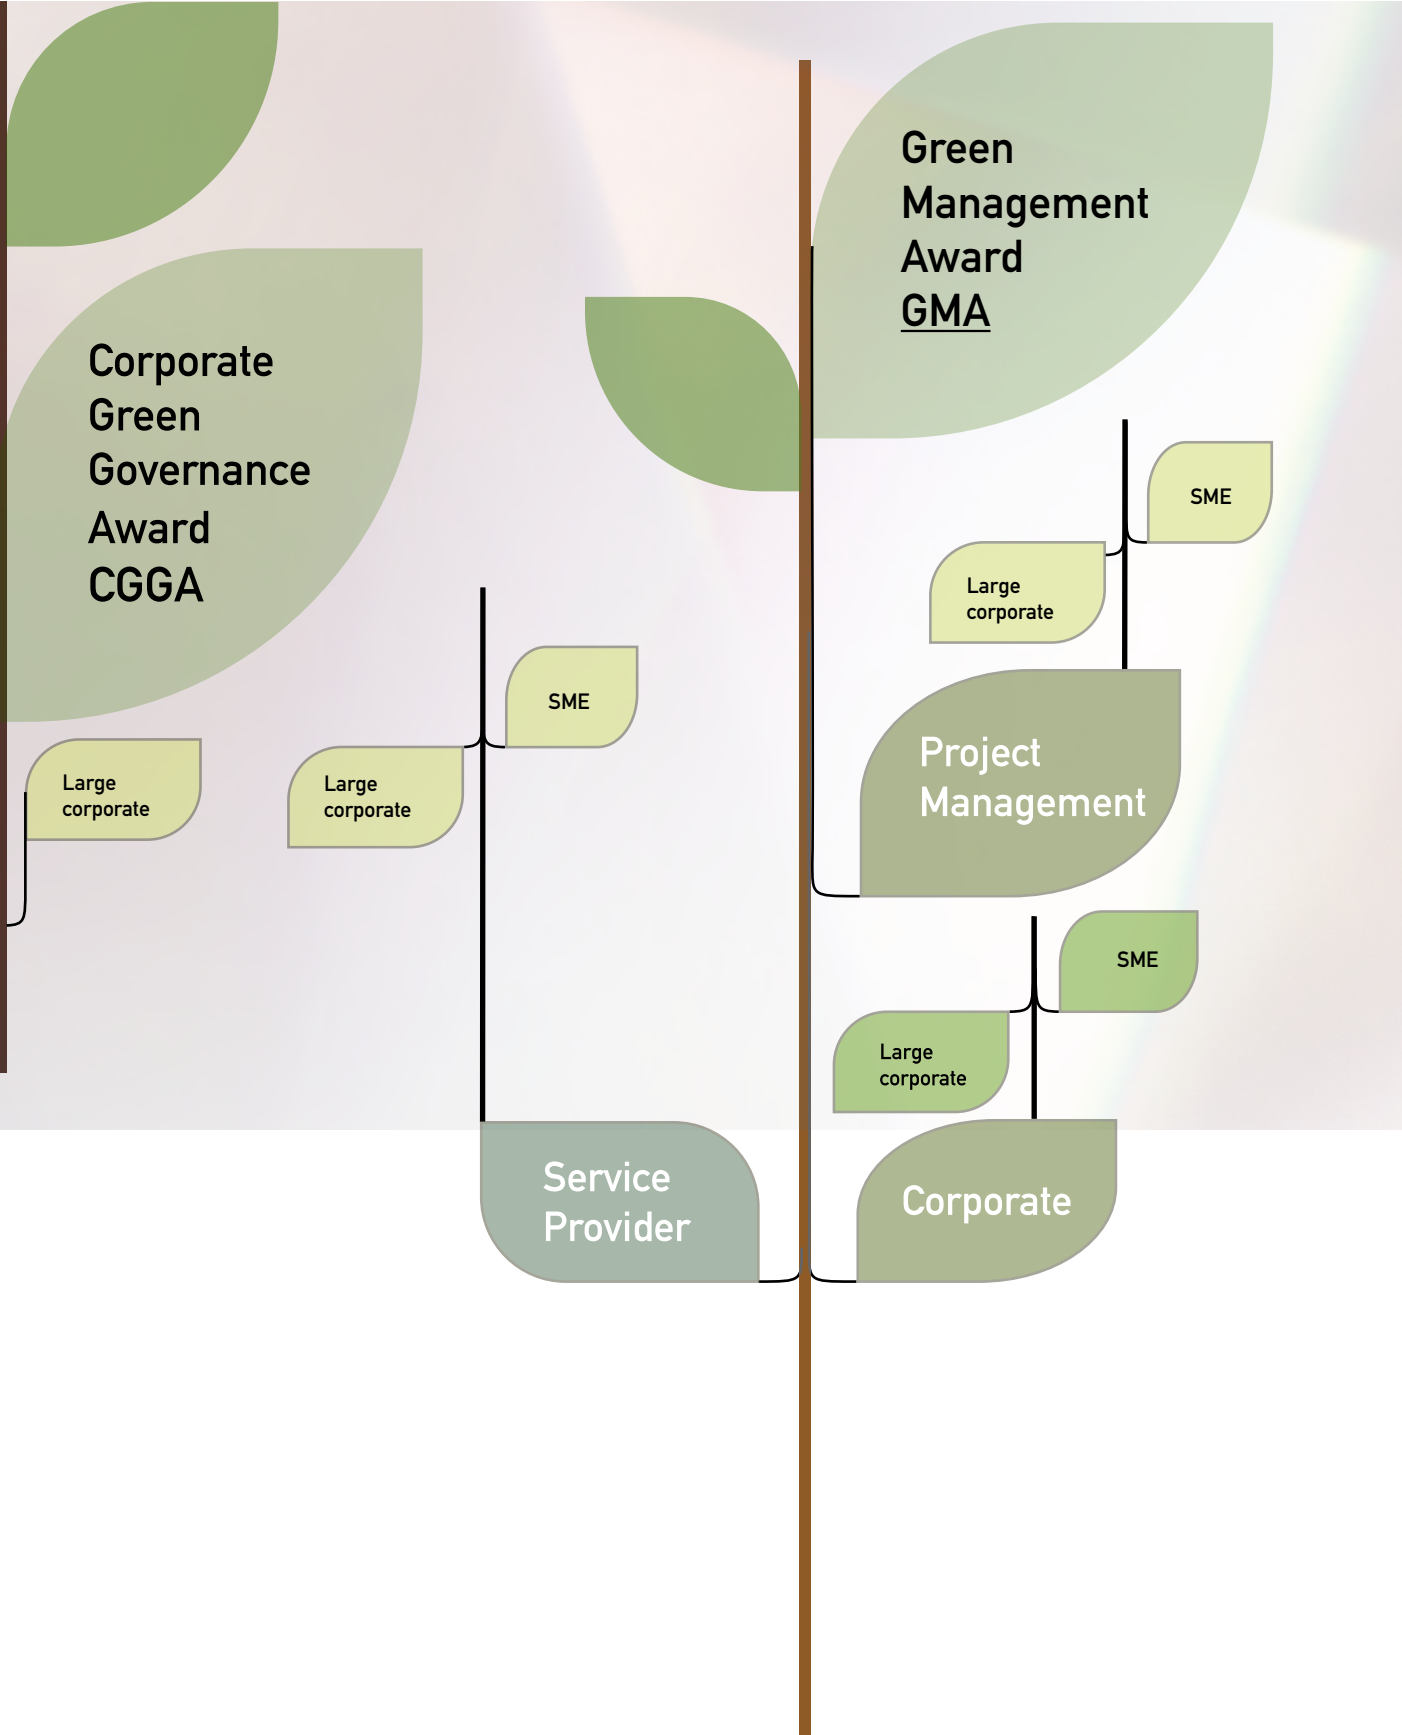

HONG KONG CONSTRUCTION
ASSOCIATION

ABOUT HONG KONG GREEN AWARDS

Hong Kong Green Awards (HKGA) aims to encourage all large corporations and SMEs to include environmental considerations, responsibility, management, performance, continuous improvement and leadership in their operations, thereby enabling them to present themselves as businesses with strong and desirable environmental performance improvement priorities and accomplishments.

AWARDS CATEGORIES

KEY ASSESSMENT CRITERIA

Various criteria will be considered by the judges during the selection process.

Each application will be evaluated against the degree to which the project meets the following key assessment criteria and to which the actions were deemed to be effective, impactful and innovative.

AWARDS

ASSESSMENT CRITERIA

There are five (5) award schemes under the Hong Kong Green Awards 2024, including: the Corporate Green Governance Award (CGGA), the Green Management Award (GMA) – Corporate / Service Provider / Project Management Categories, the Environmental, Health and Safety Award (EHSA), the Sustainable Procurement Award (SPA), and the Innovative Initiative Award (IIA).

The Corporate Green Governance Award (CGGA) incorporates the following FIVE (5) assessment criteria:

- 1 Corporate Vision
- 2 Management Systems
- 3 Environmental Monitoring and Reporting
- 4 Stakeholder Engagement
- 5 Corporate Leadership

The Green Management Award (GMA) - Corporate incorporates the following EIGHT (8) assessment criteria:

- 1 Policy, Strategy and Leadership
- 2 Energy Efficiency
- 3 Water Conservation
- 4 Waste Management
- 5 Indoor Environmental Quality (IEQ)
- 6 Combating Climate Change / Carbon Footprint Reduction
- 7 Green Procurement / Sustainable Procurement
- 8 Promotion, Training, Communication and Partnership

The Green Management Award (GMA) – Service Provider incorporates the following EIGHT (8) assessment criteria:

- 1 Policy, Strategy and Leadership
- 2 Energy Efficiency
- 3 Water Conservation
- 4 Waste Management
- 5 Indoor Environmental Quality (IEQ)
- 6 Combating Climate Change / Carbon Footprint Reduction
- 7 Green Procurement / Sustainable Procurement
- 8 Promotion, Training, Communication and Partnership

The Green Management Award (GMA) – Project Management incorporates the following NINE (9) assessment criteria:

- 1 Environmental Management and Community
- 2 Noise Control
- 3 Air Control
- 4 Water Control
- 5 Site Safety Control
- 6 Waste Management
- 7 Energy Efficiency
- 8 Site Environment
- 9 Green Procurement

The Environmental, Health and Safety Award (EHSA) incorporates the following EIGHT (8) assessment criteria:

- 1 Business Operation
- 2 Policy, Strategy and Leadership
- 3 Management Processes
- 4 Operational EHS Programmes
- 5 Promotion, Communication and Partnership
- 6 Performance Measurement, Checking and Information Management
- 7 EHS and Business Performance
- 8 EHS Case Study

The Sustainable Procurement Award (SPA) incorporates the following FIVE (5) assessment criteria:

- 1 Procurement Governance
- 2 Supply Chain Risk Management
- 3 Economically, Socially and Environmentally Responsible Procurement Practice
- 4 Supplier Collaboration and Innovation
- 5 Climate Action on Supply Chain

The Innovative Initiative Award (IIA) incorporates the following FOUR (4) assessment criteria:

- 1 Stakeholder Engagement
- 2 Approach
- 3 Impact
- 4 Replicability

華潤隆地有限公司

2023年11月30日參加香港綠色企業大獎頒獎典禮

一、持續完善管理體系，積極履行環境責任

華潤隆地的主營業務連續多年獲得ISO 14001環境管理體系認證及ISO 50001能源管理體系認證，確保節能環保工作的系統化、規範化。2023年底參考有關國家標準、國內外綠色環保管理實踐，編制印發“綠色+”創建評價指標，聚焦綠色物業、綠色酒店和綠色門店三大領域，為下屬單位提供清晰的綠色轉型指南。

二、發揮超級聯繫人作用，發展綠色新質生產力

華潤隆地作為華潤集團旗下致力於服務香港社會，解決民生所需的業務單元，積極發揮“超級聯繫人”職責，持續搭建新科技進入香港的橋梁，營運自身管理的業務場景做好技術落地。

2024年，華潤隆地與華潤燃氣成立香港合資公司，致力於推動包括充電樁、加氫站、新能源加注船、樓宇節能在內的多項關鍵業務，共同推進香港和東南亞智慧能源及綠色運輸領域的業務發展。10月16日，亞太地區首座採用全液冷超充設備的歐標充電站已在藍塘匯開始試用。

2024年5月27日參與「綠建環評應用於香港以外地區備忘錄」簽署

2024年5月30日第十一屆BIM技術國際交流會做主題分享

2024年5月昇捷物管使用香港首輛自動駕駛清掃車

2024年6月17日與投資推廣署圍繞香港ESG政策和發展趨勢召開工作座談會

三、提升設施設備智慧化和用能綠色化，提高節能環保水準

華潤隆地積極推動各下屬單位根據自身實際狀況開展組織評估，研究確定迎頭趕上的技術改造和管理改進方案，落實人財物等各類資源，推動節能環保水準全面提升。近兩年主要開展了智慧能源系統及邊緣自控技術改造、更換公區LED燈、為屋苑推廣太陽能光伏板、安裝低耗能設備、使用全港首駕自動駕駛清掃車等項目。

四、加大綠色發展對外宣傳，擴大綠色影響力

2024年，華潤隆地與德勤事務所、建築環保評估協會、第二樹公司等機構開展ESG交流培訓會，尋找企業轉型升級、保持核心競爭力的有效路徑。以首個“香港+內地”物業組合評估認證項目，獲得香港綠色建築議會、建築環保評估協會合作開展的既有建築Beam Plus綠建環評卓越級認證，並與兩家機構簽署「綠建環評認證應用於香港以外地區」備忘錄，推動多位有關工程人員獲得綠建專才（BEAM Pro）培訓認證，為公司綠色發展之路獲得更廣闊的視野和更多專業資源支持。

華潤隆地連續多年獲得香港環保促進會頒發的「聯合國可持續發展目標香港成就獎」及「香港綠色企業大獎」多個獎項，並在多個媒體及經驗分享會等公開場合分享綠色管理經驗，同時積極加入「環保促進會企業會員」、「ESG+約章」、「室內燈光約章」等計劃，向大眾分享及宣傳公司優秀環保做法。

五、開展節能環保主題活動，推廣綠色低碳理念

華潤隆地積極回應香港政府部門和社會團體組織的各類環保活動，每年組織開展節能宣傳周、全國低碳日、世界環境日、香港綠色日、海岸清潔等專題活動，不斷推廣節能環保降碳的理念和實踐。

下一步，華潤隆地將配合公司戰略發展構建綠色低碳發展新路徑，利用科技與技術，挖掘業務場景綠色效益，加強建築節能降碳，推動實施節能降碳重點專案，推進物業、酒店綠色化低碳化，引導員工及客戶綠色低碳生產生活方式轉變，努力在環保低碳方面發揮引領示範帶動作用，爭取於2050前實現碳中和，為綠色大灣區、美麗中國建設，貢獻華潤力量！

2024年7月26日獲發聯合國可持續發展目標香港成就獎多個獎項

2024年7月26日與華潤燃氣簽署合資公司協議

2024年10月16日開始在藍塘匯啟用亞太地區首座全液冷超充設備的歐標充電站

2024年六五環境日打卡活動

2024年節能宣傳周總部辦公室宣傳易拉寶

華潤電力控股有限公司

加快綠色創新轉型，讓高品質發展“綠意盎然”

華潤電力深入貫徹新發展理念，著力降強度控總量，著力科技和制度創新，加速綠色技術研究，力爭成為世界一流清潔能源供應商和綜合能源服務商。

一、加快發展清潔能源，全力構築更加可持續的電力未來

1. 共建華潤·赤壁長江經濟帶鄉村振興示範區

華潤電力與咸寧市人民政府共建華潤·赤壁長江經濟帶鄉村振興示範區。

2. 推進“光伏+”，打造“漁光旅”一體化項目

華潤財金紅光漁業800MW光伏發電項目利用現有的水域灘塗地進行標準化池塘設計，在養殖漁塘水面鋪設太陽能電池板，建設成為“上可發電、下可養殖、兼顧生態旅遊”的綜合型示範基地。

3. 共用儲能技術，為電網提供支撐

華潤電力海原縣新能源共用儲能電站專案採用先進能量管理監控系統，為電網穩定提供重要支撐，有力增強了新能源接入電力系統的穩定性，助力緩解地區棄風棄光現象。

二、嚴控“三廢”排放，實現更高效的能源資源利用

1. 嚴格控制，火電專案100%超低排放

華潤電力因地制宜選擇超低排放改造技術路線，連續多年加大改造投入資金，加速超低排放改造，於2020年全部實現超低排放。此外，滄州、豐潤、渤海新區、曹妃甸等專案實施煙氣深度治理，顆粒物、二氧化硫、氮氧化物排放濃度分別達到5mg/Nm³、25mg/Nm³、30mg/Nm³以下，為區域空氣品質提升做出突出貢獻。

日曜現代農業產業園俯瞰圖

華潤財金紅光“漁光旅”一體化項目

華潤財金紅光“漁光旅”一體化項目

廣州項目鳥瞰圖

2. 綜合治理，最大限度減少水資源消耗

華潤電力持續開展廢水綜合治理，加強水的梯級利用，提高廢水重複利用效率，積極擴大使用城市中水，旗下磴口、盤錦、豐潤等11家火力發電廠使用城市中水替代新鮮用水，登封項目重複利用上游煤礦企業的礦井水替代新鮮用水，最大限度減少水資源消耗。

3. 攻堅克難，推動解決社會難題

賀州電廠成功創新研發和綜合利用大理石廢漿循環用於電廠脫硫，為廢漿治理提供了思路與方法，每年可處理廢漿達約10萬噸，有效緩解了賀州碳酸鈣產業的環保壓力。

三、加速綠色技術研究，為行業的綠色發展樹立典範

1. 節能改造，多措並舉節能降耗

華潤電力曹妃甸二期2×1000MW工程採用一系列國際先進的高效清潔燃煤發電技術，完成多項核心技術創新突破，首選五缸六排汽汽輪機、超低背壓、機爐熱力深度耦合、綜合輔機變頻節能等先進技術，刷新當時全球行業資料。

2. 污泥協同處置、助力行業綠色低碳發展

華潤電力積極開展燃煤電廠耦合污泥焚燒處置集成應用關鍵技術研究，相關技術成果已形成多項發明專利和實用新型專利。

四、責任榮譽

華潤電力榮獲

“中國ESG上市公司大灣區先鋒50” 第一名

華潤電力榮獲

“央企ESG·先鋒100指數” 第二名、五星佳級水準企業

華潤電力榮獲

珠海勵致洋行辦公家私有限公司

珠海勵致洋行辦公家私有限公司 (LOGIC) 於1987年10月在香港成立，1994年在香港聯交所掛牌上市，至今已有37年行業經驗，是華潤旗下專業的綜合傢俱製造及銷售商。目前已成為中國最大規模的辦公傢俱及櫥壁櫃供應商之一，具備強大的生產能力和遍佈全國及東南亞地區的銷售網路。

LOGIC始終秉持“生命健康至上，綠色高品質發展”的EHS管理理念，在環境保護領域不斷探索與實踐，致力於實現可持續發展。作為國內首批獲得ISO9002品質保證體系和ISO14001環境管理體系認證的辦公傢俱製造商，LOGIC積極引導上下游合作夥伴共同踐行綠色協同發展，主動參與社會公益事業，關注環境保護，宣導低碳生活方式，推廣綠色辦公理念，打造生態環保產品。

連續三年榮獲環保促進會頒發的綠色企業獎項，充分證明了LOGIC在環保管理、綠色管治等方面的傑出表現。展望未來，LOGIC將持續提升綠色生產水準，積極推行可持續發展戰略，為生態文明建設貢獻力量。

Baguio Green Group Limited

Baguio Green Group (Stock Code: 01397.HK) was established in 1980. Today, we have developed into an Integrated Environmental Management Solutions Provider, offering a comprehensive range of environmental services, including Professional Cleaning, Recycling, Waste Management and Collection, Green Technology, Green Products, Horticulture and Landscaping, and Integrated Pest Management. As a socially responsible enterprise, we strive to be an industry role model by consistently upholding the principles of sustainability and integrating green practices into our operations.

Sustainability is not just a slogan in Baguio, we prioritize our sustainability performance as a key concern. We have expanded the Sustainability Steering Committee to include top management, overseeing the ESG Policy, and established a list of policies encompassing the Supplier Code of Conduct, Sustainable Procurement Policy and integrated Management Policy. The Steering Committee leads the execution of the cross-departmental ESG Working Group.

Baguio is committed to a low-carbon transformation by enhancing vehicle fleet efficiency and reducing greenhouse gas emissions. We are implementing advanced green measures in our offices and collecting Scope 3 emissions data through the digital carbon management platform S-Carbon, engaging our suppliers in sustainable practices.

Our procurement department manages supplier relations, ensuring materials and services are sourced from approved suppliers. Suppliers undergo annual reviews and must comply with regulations. We actively manage environmental and social risks in the supply chain via regular assessments and stakeholder communication, promoting sustainable procurement practices while minimizing environmental impact.

SHARING BY HONG KONG GREEN AWARDS 2024 AWARDEES

D&G Technology Holding Company Limited

D&G Technology places a strong emphasis on environmental sustainability. Since our listing in 2015, we have published a total of nine sustainability reports.

As a responsible manufacturer of asphalt mixing and recycling plants and equipment, we prioritize sustainable development across all operations, aligning our management strategies with this commitment.

Embracing sustainable development as a guiding principle, we are dedicated to contributing to the United Nations Sustainable Development Goals (SDGs). In recent years, we have linked our core business activities to the SDGs, adopting them as a framework for daily practices and identifying five specific goals to target with tailored strategies.

Our Sustainability Committee is vital in integrating environmental, social, and governance (ESG) considerations into our operations, ensuring our strategies align with long-term sustainability objectives.

Over the years, we have received numerous awards for our sustainability efforts, including the BOCHK Corporate Low-Carbon Environmental Leadership Awards and the Hong Kong Green Award – Corporate Green Governance Award for nine consecutive years, as well as the UNSDG Achievement Awards Hong Kong for three years.

Looking ahead, D&G Technology will continue to develop innovative strategies and initiatives to further enhance our contributions to sustainable development.

Won UNSDG Achievement Awards Hong Kong for three years

Won BOCHK Corporate Low-Carbon Environmental Leadership Awards for nine consecutive years

The Hong Kong and China Gas Company Limited

Founded in 1862, The Hong Kong and China Gas Company Limited (Towngas) is Hong Kong's first public utility. Today, we are one of the largest energy suppliers in Asia, operating with world-class corporate management and leading-edge business practices. We are committed to providing our customers with safe, reliable, and clean energysolutions, along with a wide range of innovative appliances and diverse energy applications.

Towngas made its foray into Chinese mainland in 1994. Currently, we have more than 900 projects, including renewable energy, piped city-gas projects, upstream and midstream developments, water supply and urban waste utilisation projects, as well as new energy exploration and utilisation ventures, across 29 provincial regions.

In recent years, Towngas has expanded into new energy sectors, supplying hydrogen, green methanol, and sustainable aviation fuel to meet the growing demand for cleaner alternatives. In alignment with the Chief Executive's 2024 Policy Address announced by the HKSAR Government, which advocates for the advancement of new energy development, Towngas has proactively embarked on a strategic transformation toward innovative energy sources. By harnessing cutting-edge technology and exploring visionary business models, we are dedicated to promoting low-carbon practices and advancing sustainable energy solutions that will shape the future.

Kerry Properties Limited

Kerry Properties Limited is a world-class property company with its major focus on investing in premium quality property developments in Hong Kong and the Mainland. Sustainability is fundamental to our businesses and operations, we are committed to making a positive impact on society while pursuing ongoing success through our Sustainability Vision 2030 strategy.

We have devised a net-zero roadmap for decarbonisation, aiming for net-zero carbon by 2050. We have submitted near-term and net-zero targets to the Science Based Targets initiative (SBTi) and reference the Task Force on Climate-Related Financial Disclosures (TCFD) framework to address climate-related financial impacts and develop strategic responses for mitigation and adaptation.

Kerry Properties is conducting a Climate Risk and Vulnerability Assessment, with a goal of completing this for all our investment properties by 2030. We prioritise reducing emissions from our operations by setting ambitious energy efficiency targets and investing in eco-friendly technologies. We engage our staff and tenants through environmental stewardship initiatives and manage ESG risks by adopting relevant policies and standards across our business.

By consistently creating value through our actions, Kerry Properties aims to fulfil its role as a socially responsible company in building a sustainable future.

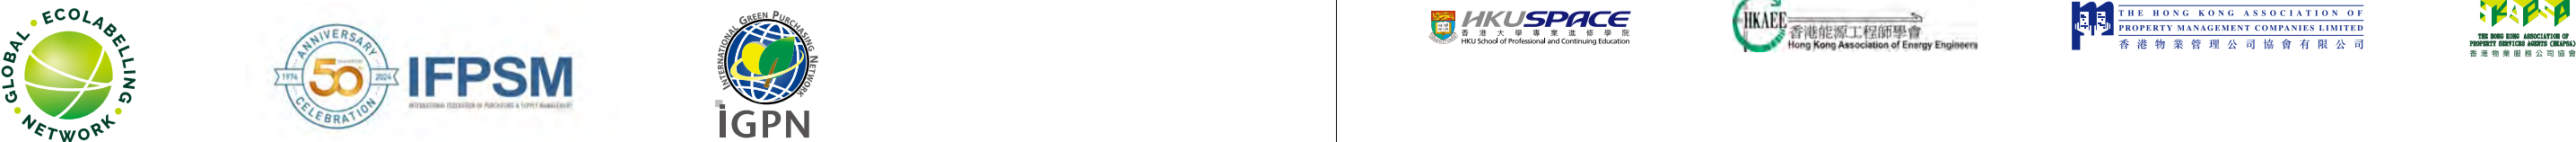

Congratulations on your well-deserved success!
